

WHAT TO BRING TO YOUR FIRST APPOINTMENT

- The paperwork sent to you in this packet, completely filled out
- Brain and /or Spine MRI scans that show the Chiari malformation or Syringomyelia
(These can be on disc, hard films, or both. Hard films will be sent home with you)
- Neurologist's report if available
- Primary doctor's most recent report and most recent blood work

IF YOU HAVE HAD PREVIOUS SURGERY FOR CHIARI OR SYRINGOMYELIA PLEASE ALSO BRING:

- MRI done before the surgery and any done after surgery
- The surgery report (surgeon's dictation of the surgery)
- Please check with your physician for any Insurance referral that may be needed in order for Dr. John Oro' to see you
